

A Family Night

Of Halloween Stories

Wednesday, October 24, 2018

6:30 p.m.

Halloween is a special time for storytelling. It is the time of year for those stories about the unexpected, the unusual, and the unheard of. It's also time for some less scary stories to bring fun into the season. Look for both at this program by the **Lehigh Valley Storytelling Guild**.

Our Storytellers

Charles Kiernan, now retired from gainful employment, performs at theaters, listening clubs, schools, libraries, and arts festivals. He's also president of the LV Storytelling Guild, PA State Representative for the National Youth Storytelling Showcase, PA State Liaison for the National Storytelling Network, and recipient of the 2008 Individual Artist Award from the Bethlehem Fine Arts Commission.

Judy England-McCarthy, a professional storyteller and workshop facilitator, is a member of several storytelling guilds and NSN. She performs for libraries, churches, schools, festivals and other events, including last year at the Howell Living History Farm. With a strong theatrical background her stories are filled with elements of humor and wisdom, and entertaining for all ages.
