

## ACTIVITIES THAT HELP DEVELOP EARLY LITERACY

- Recite nursery rhymes and prompt your child to repeat what you say.
- Sing songs about the books you read.
- Talk to your child about what is going on around you.
- Name objects and colors that you see when taking a walk, going to the grocery store, etc.
- Ask your child many questions.
- Play with blocks with your child.
- Make a book using pictures of your child and her favorite items and people.
- Make up a story for your child about your day.
- Give your child paper and crayons or pencils, and allow him to scribble and write.
- Do fingerplays and action rhymes any time.
- Make an alphabet book with images from your child's daily life.
- Visit the library often!
