## Pumpkin Salt Painting

## Pumpkin Salt Painting

### What's Needed

- 1 Container Salt
- 1 Bottle White Glue
- Water Color Paints
- Black Paper
- White Pencil or Chalk

### Directions

1. Draw a picture of a pumpkin on the piece of paper.

2. Squeeze glue on the white lines of the pumpkin picture you drew.
3. Now sprinkle a good coat of salt over all the glue making sure it is coated well. Then shake off the excess.
4. Wet your paintbrush with water then dip it into the paint and lightly brush onto the salt. You can also gently tap it on as well.
5. Let this set and dry for a few hours.
