

Chinese New Year's is on February 12. Here is a Rockin' Oxen craft for this year's Year of the Ox, 2021. You will need a **paper plate**, color it if you like & fold it in half. Cut out the big & small rectangles & the triangles at both end. These are the hooves (feet). Color the areas above the cut outs black. **See pictures**. Cut between the 2 lines then glue hooves to the front inside of the paper plate fold, curl tail with a pencil & glue on paper plate at the fold. Color oxen's face brown or any color you want. Cut out the oxen's face and glue to the top center or the opposite side of the tail at the paper plate fold. Enjoy our Chinese New Year's Oxen. Oxen's are known to be calm, strong, reliable, intelligent and hard working. This holiday lasts for a week.

Happy Chinese New Year!
