

Color the clock, and then cut out the clock along its outside shape. Next, you can choose the coo coo bird you like to fit in the window. See the sets of shapes under the clock? There are 2 long rectangles and 2 pinecones by the birds. Carefully cut out the birds, the long rectangles & the pinecones after coloring them. Glue the 2 long rectangles to the bottom back of the clock. Glue each pinecone on top of the long rectangles. Glue your bird in the window.
