

Sloth handprint hanging on a branch

Supplies needed:

White construction paper,

Pencil, scissor, glue stick and markers.

Trace your child's handprint on the paper,

Or use the template below using dark brown marker for

the branch then cut out. Color & cut out the leaves, handprint & the sloth's face.

Lace the fingers between the branch & add the leaves to the branch as shown in the picture below.

Glue the sloth's face on to the thumb, then leaves & fingers to the branch.
