11:00 a.m.

**Join ASHM for a virtual program to discover the magic and mystery of Scandinavian wildlife!**

Here, we'll discuss the relationship between the Scandinavian people and their indigenous wildlife throughout history – an epic tale of predator vs. prey! Learn about the animals through folk art, tales, tradition, and conservation. We'll explore the world of Swedish fauna, from Dala horses and enchanted creatures to the national animal: the moose! Learn about animal tracks and facts while we create our own interpretation of traditional crafts.

This program will be held on Zoom, and you can request the link by e-mailing Ms. Santaliz ([santaliz.1@whitehallpl.org](mailto:santaliz.1@whitehallpl.org)). Each program has a limit of 30 kids, so be sure to request the link early. That will also give you time to pick up the kits you'll need for the craft, which ASHM will provide.
