

## Mother's Day Flowers

You'll need:

Colorful cupcake liners, scissors, a glue stick, construction papers. & a template of flower stems & leaves.

Hold the paper like in the picture (portrait).

As portrait, it can look like a card; fold in half, top edge down to bottom. The fold will be on the top. Write on the outside:

Happy Mother's Day  
Mom, I Love You!

Cut liners so they look like petals.

On the inside of the fold (card), draw the stems & leaves. Glue the cupcake liners & glue to the stem drawing. Draw your own or use the one attached.

Give to Mom on  
Mother's Day.
